Housing Choice Opportunities

Thriving Connections

Weatherization

All SCCAP services are provided without regard to race, age, color, religion, sex, gender identity, gender expression, genetic information, sexual orientation, marital status, disability, national origin, ancestry, or status as a veteran.

## About Head Start

Head Start promotes school readiness of young children from low-income families throughout Monroe County. Head Start and Early Head Start programs support the comprehensive development of children from health care and education to family services for children ages birth to 5, in centers, child care partner locations, and in their own homes. Head Start services include early learning, health, and family well being.

"We really focus on getting parents involved and engaged. This involves working on family and child goals, helping parents find jobs, teaching parents how to get involved in their children's education and supporting them in going to school. The more parents are engaged, the better outcomes we see for their children."  
-Head Start Director, Stacey Edwards

## Head Start

Head Start is a family centered child development program whose mission is to promote school readiness by enhancing the social and cognitive development of children through an evidence based curriculum, health, nutrition, and social services. Parent involvement in the classroom is encouraged.

The Head Start program is designed for families with children who are 3-5 years old. Head Start has 15 classrooms that are 6 hour programs with a variety of start times as well as an affordable extended day program.

## Early Head Start

Early Head Start promotes comprehensive early childhood development, and is family centered. All teachers in both Head Start and Early Head Start have a degree or certification in Early Childhood Development or Education to ensure quality teaching.

The Early Head Start program is designed for families with children who are 6 weeks up to 3 years old. Early Head Start has 5, 7 hour classrooms.
