

# Thriving Connections

Thriving Connections (TC) is an intentional community whose goal is to eliminate poverty by bringing together diverse perspectives to address stereotypes and break down individual, community, and systemic barriers. TC participants study poverty, its causes, its impacts, and seek out resources and connections to create a place where everyone thrives.

Our whole community attends **weekly meetings**, where families and volunteers learn about local resources, build relationships and understanding, and have fun!

# Growing Opportunities

Growing Opportunities is SCCAP's family enrichment program, which provides case work and when funding is available, emergency funds and debt relief opportunities.

Growing Opportunities uses a holistic approach to serve our community members. We meet our clients where they are and assist with existing needs. We do this by connecting them with community partners, ensuring they have applied for all SCCAP services, emergency funds, and debt relief programming.

# South Central Community Action Program

Empowering people to reach their potential!

## Agency Mission

The South Central Community Action Program (SCCAP) is a nonprofit organization based in Bloomington, Indiana that has served low-income people for 55 years. Our mission is to provide opportunities for all people to achieve personal and economic independence to strengthen our community. We serve Brown, Monroe, Morgan, and Owen Counties.

SCCAP is proud to offer:

Covering Kids & Families

Energy Assistance

Growing Opportunities

Head Start & Early Head Start

Housing Choice Opportunities

Thriving Connections

Weatherization

# Our Programs

## Energy Assistance Program

The purpose of the Energy Assistance Program is to help keep members of low-income families safe and healthy, and assist them in achieving energy self-sufficiency and avoiding utility disruptions. We provide assistance with winter energy bills for households in Brown, Monroe, Morgan, and Owen counties. SCCAP's winter assistance program typically begins in November.

## Weatherization

Weatherization is the process of increasing the energy efficiency of a home (whether it is a mobile home or a site-built house) and improving health and safety conditions for its occupants. As defined by the Department of Energy's Weatherization Assistance Program (WAP), Weatherization includes a wide variety of energy efficiency measures and serves low income families free of charge (homeowners or tenants alike).

## Housing Choice Opportunities

Housing Choice Vouchers provide vouchers for low-income households so they can seek housing. South Central Community Action Program offers Housing Choice Vouchers in Brown, Monroe, Morgan, and Owen counties within U.S. Housing and Urban Development's (HUD) guidelines.

## Head Start & Early Head Start

Head Start promotes school readiness of young children from low-income families throughout Monroe County. Head Start and Early Head Start programs support the comprehensive development of children from health care and education to family services for children ages birth to 5, in classrooms. Head Start services include early learning, health, and family well being.

## Covering Kids & Families

Covering Kids & Families facilitates and advocates accessible and equitable health for all Hoosiers with a primary focus on healthcare coverage and children's development.

We assist with Medicaid, Hoosier Healthwise, HIP, or Marketplace application process start to finish.

Our services are free and open to anyone.
